composing dissent When I started Art of Composing in 2011, I had a loose idea of the things I needed to learn. But it wasn't very clear in my mind. So I set out reading just about every music theory or composition book I could get my hands on. And I blogged about it at the same time. What is your motivation for composing?

composing dissent The two main shifts in Composing Dissent are especially relevant for historians working on the 1960s. First, the relation between the composers' changing social and political ideas and their musical practices. One of Adlington's main issues is to argue against the composers' claim to partake in a purely musical discourse, autonomous of ...
