composition notebook i love dentist birthday journal for dentistry teeth orthodontics to write on I, too, love those basic composition books, and also prefer what we call the "college ruled" size. One of my first journals I ever kept, when I was about 14, was in a marbled cover composition book. I think they are the perfect size for toting around. My only complaint about them is that the paper is not of the best quality.

composition notebook i love dentist birthday journal for dentistry teeth orthodontics to write on One composition notebook was enough for both my Algebra 1 and Algebra 2 classes. I think the number of notebooks needed depends on exactly what you put in the notebook. I only have my students put notes in their notebook. Other teachers have them do their bellwork and homework in the notebook as well. That takes up a lot more pages.
