Cognitive therapy: foundations, conceptual models

comprehensive casebook of cognitive therapy 1st edition This is the golden age of cognitive therapy. Its popularity among society and the professional community is growing by leaps and bounds. What is it and what are its limits? What is the fundamental nature of cognitive therapy? It is, to my way of thinking, simple but profound. To understand it, it is useful to think back to the history of behavior therapy, to the basic development made by ...
